

Taking a Star Assessment

Read the following rules:

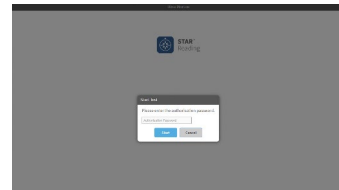

- **You must not have any help during the test.** If you do not know the answer, take your best guess.
- Take your time. The test should take **at least** 20 minutes.
- The questions will change based on your answers. If you give the right answer, it will get harder. This means you are doing well.
- Read the question and **all the answers** first before choosing the best one.
- If you have a problem with the website, please let an adult know.
