Headteacher Ms N Crookshank BA (Hons) MA

Dear Parent/Carer,

It has been fantastic to have the students return this week, attendance has been great and we are really pleased with students' engagement. Students have been ready to learn, equipped and in uniform and have engaged with their lessons, despite the heat. Year 10 have made an excellent start to the Achieve and Believe programme and it has been lovely to see so many Year 11s, dressed in their business attire, in school for their Aspire 6 taster lessons. Our enrichment programme after school started this week and there is still time for students to join up for any of the opportunities available by completing this [form](#). An updated version of the enrichment timetable will also be emailed to you. Yesterday saw our annual Race for Life taking place, around Cheslyn Hay. There were lots of students dressed in pink raising money for the charity, currently they have raised nearly £2000. If you would like to add your support please donate [here](#).

As you can see, although this is the last half term of the year there is a lot going on. We are launching our new Saturday School for students in years 7, 8 and 9. This takes place from 9:30-12:00 and includes a breakfast club followed by engaging sessions in English, maths and science to help boost progress. There are a limited number of places available so if you are interested in securing a space for your child, please email Mr Ross at sross@cheslynhay.windsoracademytrust.org.uk.

We are finalising our plans for the end of term to ensure we can celebrate and have some of our traditional end of year events such as Sports Day, Celebration assemblies as well as Activity Day. A final reminder that all money for Activity Day should be paid via ParentPay by Monday 14th June. Updates will be in the parent bulletins over the coming weeks with further details and to promote the opportunities to our students.

We are also planning for September and next academic year therefore we will be having our final INSET of the year on June 28th with the other schools in the Trust. The focus of this will be curriculum planning, digital learning and boosting progress. School will be closed to all students on this day.

All students over the course of this half term will be completing assessments and we would ask you to encourage your child to spend time revising and preparing for these. These assessments are particularly important this year as they will allow teachers to plan booster sessions and strategies to move the students forward and to secure students' knowledge ready for September.

And finally thank you for continuing to complete the lateral flow tests each week and recording them with both the NHS and school. It is important that we continue to keep Covid secure and follow the Government's guidance.

Yours sincerely

Ms N Crookshank
Headteacher
