November 2022

Dear parents and carers

**Aspire Sixth Christmas Charity Appeal**

Aspire Sixth are wanting to again continue with their community 'Christmas Charity Appeal' in 2022 as their Christmas fundraiser. We are looking to support women and children within our local community that may have experienced some difficulty over the last year; with gifts that may brighten their Christmas.

If you are able to support us, we would be immensely grateful for a donation of a gift. We are looking for the gifts to come pre-wrapped, in a box or in a gift bag. The gift would then need to be labelled with the following information:

- That the gift is for the 6<sup>th</sup> form charity appeal
- If the gift is for a child then gender/gender neutral/age
- If the gift for an adult female

Alongside the Christmas gifts we are also looking to also receive long dated food items towards our Aspire Sixth foodbank. We are hoping to receive enough items to donate to our local community food bank that will then create hampers for local families facing difficulty this Christmas.

If the gifts and food items could please be handed into the head of house office, it would be greatly appreciated.

We would be extremely grateful if all donations could be with us by Monday 5th December allowing us time to deliver gifts/food items to the charities we are supporting. We are hoping to get out into the local community during the last weeks of the Autumn term before we break up for the Christmas holidays. As we move closer to Christmas, we will update social media with the development of our fundraiser.

We would like to thank you in advance for your support

Yours sincerely

Aspire Sixth students
